Answer key: Alabama practice test 4

From the Alabama Driver Manual. Free at permitpracticetestdmv.com/alabama/

1. B: Each occupant, regardless of age

Alabama's safety belt law requires each occupant, regardless of age, to be restrained. (Alabama's Safety Belt and Child Restraint Laws, page 30)

2. B: 1 year of age or 20 pounds

Rear-facing infant or convertible seats are required until at least 1 year of age or 20 pounds. (Alabama's Safety Belt and Child Restraint Laws, page 30)

3. B: 5 years of age or 40 pounds

A forward-facing seat is required until at least 5 years of age or 40 pounds. (Alabama's Safety Belt and Child Restraint Laws, page 30)

4. B: 6

A booster seat is required until a child is 6 years of age, then a seat belt until 15. (Alabama's Safety Belt and Child Restraint Laws, page 30)

5. C: Through age 15

Alabama's child restraint law requires children through age 15 to be restrained. (Alabama's Safety Belt and Child Restraint Laws, page 30)

6. D: Snugly across the hip bones

For maximum effectiveness, draw the seat belt snugly across the hip bones. (Alabama's Safety Belt and Child Restraint Laws, page 30)

7. A: Over 90 percent

The manual says more than 90 percent of crashes come from driver-related causes such as mistakes, inattention, poor judgment, bad attitude, or physical or mental condition. (Chapter 4 - The Driver, page 31)

8. D: Let someone else drive or take time to cool off

If worried, ill, nervous, angry or depressed, let someone else drive or take time to cool off first. (Your Personality Affects Your Driving, page 31)

9. C: Using a wireless device to write, send or read a text, instant message or email while driving

Alabama prohibits writing, sending or reading texts, instant messages or emails on a wireless device while driving. (Texting While Driving, page 32)

10. A: \$25 fine and 2 points

Texting: \$25 for a first offense, \$50 for a second, \$75 for a third or later, with 2 points for each. (Texting While Driving, page 32)

11. A: Every 100 miles or every two hours

Take regular breaks every 100 miles or every two hours to walk around and stretch. (Highway Hypnosis and Fatigue, page 32)

12. A: Drowsiness or unawareness brought on by the monotony of expressway driving

Highway hypnosis is drowsiness or unawareness caused by monotony: wind, tires and engine hum. Shift your eyes around and read signs to stay alert. (Highway Hypnosis and Fatigue, page 32)

13. D: .08 percent or more

It is unlawful to drive with a BAC of .08 percent or more, or while under the influence. (Drinking and Driving, page 33)

14. A: .02 percent or more

It is unlawful for persons under 21 to drive with a BAC of .02 percent or more. (Driving While Under the Influence, page 33)

15. B: .04 percent

Commercial vehicle operators may not drive with a BAC of .04 percent or more. (Driving While Under the Influence, page 33)

16. B: .02 percent

School bus and daycare drivers may not drive with a BAC of .02 percent or more. (Driving While Under the Influence, page 33)

17. C: .05 percent

Research shows a BAC of .05 percent impairs most people to some degree, and at .08 percent everyone is definitely impaired. (Drinking and Driving, page 32)

18. C: 90 days

A first conviction brings a \$600-\$2,100 fine, up to a year in jail, and a 90-day license suspension. (Driving While Under the Influence, page 33)

19. B: \$600 to \$2,100

A first DUI conviction carries a fine of \$600 to \$2,100. (Driving While Under the Influence, page 33)

20. A: One-year revocation

A second conviction in 10 years brings a one-year revocation plus a mandatory 48 hours in jail or 20 days of community service. (Driving While Under the Influence, page 33)

21. C: Three years

A third conviction brings a three-year revocation and a mandatory minimum 60 days in jail. (Driving While Under the Influence, page 34)

22. D: A Class C felony

A fourth or later conviction is a Class C felony with a five-year revocation. (Driving While Under the Influence, page 34)

23. B: Your license is suspended

Drivers are deemed to have consented to chemical tests. Refusing a breath test when directed after arrest results in suspension. (Implied Consent Law, page 34)

24. B: A depressant

Alcohol is a depressant. It slows reflexes, interferes with judgment and impairs observation. (The Effects of Alcohol, page 33)

25. B: The effects multiply, not just double

Mixing alcohol and drugs doesn't just double the effect; it multiplies it and has caused deaths. (Drugs, page 35)
