1. B: 90 days

Non-residents 16+ with a valid license may drive, but must obtain an Alaska license by the end of a 90-day period after entry. (Who Is Exempt?, page 6)

2. C: Class D

Class D is the license used for operating passenger vehicles; Classes A, B and C are commercial. (Licenses and Permits, page 6)

3. C: Yes

Motorcycles and motor scooters with engines of less than 50cc can also be operated with a Class D license. (Licenses and Permits, page 6)

4. A: 14

If you are 14 or older, you may obtain an instruction permit, valid for two years. (Non-Commercial Instruction Permit, page 8)

5. D: Two years

Each type of non-commercial instruction permit is valid for 2 years and can be renewed only one time. (Non-Commercial Instruction Permit, page 8)

6. B: A licensed driver at least 21 with at least one year of experience in that class of vehicle, seated beside the driver

The licensed driver must be at least 21, have at least one year of driving experience for that class, and occupy the seat beside you. (Non-Commercial Instruction Permit, page 8)

7. B: \$15

The manual and the DMV fee schedule both set the original instruction permit fee at \$15. (Non-Commercial Instruction Permit, page 8)

8. B: 6 months

Applicants who are 16 or 17 must have a valid instruction permit for at least 6 months before a license can be issued. (Non-Commercial Instruction Permit, page 8)

9. C: 16

A license may be issued to an applicant who is at least 16 years of age. (Driver's License Requirements, page 9)

10. C: 90 days after the 21st birthday

If you're under 21, your license expires 90 days after your 21st birthday, and an alcohol awareness test must be passed before renewing. (Driver's License Requirements, page 9)

11. D: An alcohol awareness test

An alcohol awareness written test must be passed after your 21st birthday before an original or renewal license. (Driver's License Requirements, page 9)

12. C: At least 10 days

Conviction of driving while a license is cancelled, suspended or revoked results in a jail sentence of not less than 10 days. (Driver's License Requirements, page 9)

13. B: 40 hours, including 10 in progressively challenging circumstances

A parent, guardian or employer must certify at least 40 hours of driving, including 10 hours in challenging circumstances such as bad weather and night. (Provisional Licenses, page 9)

14. C: A parent, legal guardian, or employer

Your parent, legal guardian or employer must certify the 40 hours of driving experience. (Provisional Licenses, page 9)

15. A: Siblings

Provisional drivers may not carry passengers unless one is a parent, guardian or person 21+, but may carry siblings without a parent. (Provisional Licenses, page 10)

16. D: 1 a.m. to 5 a.m.

Provisional drivers may not drive 1:00-5:00 a.m. unless accompanied, or driving to/from or for work on the most direct route. (Provisional Licenses, page 10)

17. B: 6 months

The provisional stage is a minimum of six months and can remain in effect up to age 18. (Provisional Licenses, page 10)

18. A: With an 'off system' license restricted to areas not connected to the highway system (or highways with fewer than 499 vehicles a day)

The restrictions don't apply to an 'off system' license restricted to areas not connected to busier highways. (Provisional Licenses, page 10)

19. D: Only the person who signed the parental consent form

Only the person who signed the consent can withdraw it, by notarized request or one witnessed by a DMV employee; DMV then cancels the license. (Parental Consent, page 7)

20. C: A minor's negligence or willful misconduct while driving may be attributed to the signer

Negligence or willful misconduct of a minor driver may be attributed to the person who signed consent, who may become liable for damages. (Parental Consent, page 7)

21. A: At least 20/40 in each eye or both eyes together

To qualify you must have at least 20/40 vision in each eye or with both eyes together; corrective lenses must then be worn while driving. (Examinations, page 10)

22. D: A certified statement from a licensed physician or optometrist that your vision meets standards

You may submit a certified statement from a licensed physician or optometrist instead of the vision test. (Examinations, page 10)

23. A: The following day

If failed, the written test may be retaken the following day. (Examinations, page 11)

24. B: Applicants not currently licensed in Alaska, expired over one year, or revoked

The written test is required for applicants not currently licensed in Alaska, whose privileges expired over one year ago, or were revoked. (Examinations, page 11)
