Answer key: Alaska practice test 11

From the Alaska Driver Manual. Free at permitpracticetestdmv.com/alaska/

1. B: Away from the curb

On an uphill, turn front wheels away from the curb. (Parking, page 74)

2. C: 20 feet

Don't park closer than 20 feet from a crosswalk or intersection. (Parking, page 74)

3. C: 20 feet

Don't park closer than 20 feet from the entrance to a fire station. (Parking, page 74)

4. B: To prevent theft

To prevent theft, never leave the key or fob in a parked, unattended vehicle. (Parking, page 74)

5. D: No, not without the consent of a department official

Do not drive over a fire hose without consent of a department official (\$100 fine, 2 points). (Do Not Cross Fire Hoses, page 77)

6. C: Notify the officer immediately

If contacted by an officer while carrying a concealed deadly weapon, you must notify the officer immediately. (Stop by Law Enforcement, page 77)

7. C: Signal and pull over to the right as soon as it's safe

Signal immediately and pull over to the right as soon as it is safe, even if you're in the left lane of a four-lane road. (Stop by Law Enforcement, page 77)

8. D: On a curve, just after the crest of a hill, or next to a guardrail

Try not to stop on a curve, just after a hill crest, next to a guardrail, or other unsafe spots. (Stop by Law Enforcement, page 77)

9. B: No, only authorized emergency vehicles may

It is against the law for an unauthorized vehicle to have a red light visible from the front or a blue light visible from the side. (Emergency Vehicles, page 76)

10. A: Low beams

Use low beam (dim) when driving in rain, fog, snow or dust. (Use of Lighting Equipment, page 67)

11. C: Don't stare; use quick glances to check lane positions and the right edge

Don't stare at headlights; use quick glances to check the oncoming vehicle, your position, the right edge and the path ahead. (Use of Lighting Equipment, page 67)

12. B: Do not rely on them; your best defense is your own responsible behavior

Don't rely on devices such as deer whistles, extra lights or reflectors; responsible behavior is the best defense. (Animals, page 72)

13. B: Motorcycle collisions with animals have a higher fatality rate

Motorcycle collisions with animals have a higher fatality rate. (Animals, page 72)

14. B: 25 feet

The foot brake must be adequate to stop a passenger vehicle within 25 feet at 20 mph. (Your Car Must Have the Following Equipment, page 80)

15. C: 200 feet

The horn must emit sound audible under normal conditions from not less than 200 feet. (Your Car Must Have the Following Equipment, page 80)

16. B: A single rear plate with valid tabs

Alaska non-commercial registered vehicles must have a single rear license plate with valid year and month tabs. (Your Car Must Have the Following Equipment, page 80)

17. D: Only when necessary to ensure safe operation

Audible signal devices may not be used unless necessary to assure safe operation. (Unnecessary Use of Horn, page 81)

18. D: A fine up to \$1,000, up to 90 days in jail, and possible court-ordered litter pickup

Littering can bring a fine up to \$1,000, up to 90 days imprisonment and court-imposed litter gathering. (Keep Our State Safe and Litter Free, page 91)
