Answer key: Alaska practice test 3

From the Alaska Driver Manual. Free at permitpracticetestdmv.com/alaska/

1. C: Two criminal charges, DUI and Refusal, which can be treated separately

Refusal results in two criminal charges, DUI and Refusal; it can be a misdemeanor or felony depending on priors. (Implied Consent, page 18)

2. A: An infraction

Refusal to submit to preliminary breath testing is an infraction. (Implied Consent, page 18)

3. B: No

There is no limited work-purpose driving privilege for a person who refuses chemical testing. (Implied Consent, page 18)

4. C: 90 days

The administrative revocation is 90 days for a first offense; 1 year, 3 years or 5 years with prior convictions. (Administrative Revocations, page 20)

5. A: 15 years

Prior DUI/refusal convictions in Alaska or another state within the last 15 years can be used. (Administrative Revocations, page 20)

6. B: Any amount

If you're under 21 and drive after consuming alcohol in any amount, you can be arrested or cited. (Administrative Revocations, page 20)

7. B: 30 days

The revocation is 30 days for a first offense, 60 days, 90 days, and 1 year for repeats. (Administrative Revocations, page 20)

8. C: Community service and/or a fine up to \$1,000

It is an infraction; upon conviction the court must order community service and/or a fine up to \$1,000. (Administrative Revocations, page 20)

9. D: 60 days

Revocation is 60 days for a first offense and 1 year for subsequent offenses. (Administrative Revocations, page 20)

10. B: 7 days

You must apply in writing within seven days of the 'Date Issued' on the notice. (You Have the Right to an Administrative Hearing, page 21)

11. B: Judgment

A person's judgment is the first ability impaired by drinking alcohol. (Facts You Should Know About Alcohol, page 22)

12. B: A 1½-ounce shot of 80-proof liquor or 4 ounces of wine

The same amount of alcohol is in 12 ounces of beer, a 1½-ounce shot of 80-proof liquor, or 4 ounces of wine. (Facts You Should Know About Alcohol, page 22)

13. C: About an hour

It takes an average of one hour to cancel the effects of one drink, so four drinks take about four hours. (Know Your Limits, page 22)

14. A: Only time

Coffee, fresh air, food or a cold shower might wake you up but won't sober you up; only time helps. (Facts You Should Know About Alcohol, page 22)

15. D: At least 6 months

One DUI/refusal conviction requires an IID for a minimum of six months; 12 months for a 2nd, 18 for a 3rd, and so on. (Ignition Interlock Device (IID), page 23)

16. B: Almost 45 percent

Almost 45 percent of all traffic deaths each year in Alaska involve alcohol. (Alcohol • Drugs • Driving, page 23)

17. C: 0.08%

The chart shows judgment and inhibitions affected at 0.02%, reaction at 0.06%, and serious deterioration in driving at 0.08%. (Alcohol • Drugs • Driving, page 23)

18. C: .08

If you drive with a breath or blood alcohol concentration of .08 or more, you're presumed to be under the influence. (Administrative Revocations, page 20)

19. B: .04 or higher

DMV must revoke for a breath result of .08 or higher, or .04 or higher if operating a commercial motor vehicle. (Suspensions and Revocations, page 17)

20. D: Yes; it covers any controlled substance, including narcotic and non-narcotic drugs, with the same penalties as alcohol

Alaska law forbids driving under the influence of any controlled substance, with the same penalties as alcohol. (Drugs, page 24)

21. A: At least 25 percent

It has been estimated that at least 25 percent of prescription drugs used today can interact with alcohol. (Drugs, page 24)

22. D: Forever

The manual lists among DUI consequences that DUIs stay on your record forever. (Alcohol • Drugs • Driving, page 19)

23. C: \$22,740

The manual estimates the average cost of a first DUI at \$22,740, versus about \$15 for an alternative ride. (Alcohol • Drugs • Driving, page 19)

24. D: They occur at lower average blood alcohol levels than for older drivers

Crashes involving young people who have been drinking occur at lower average BAC levels than for middle-aged or older drivers. (Facts You Should Know About Alcohol, page 22)

25. D: Everyone in the motor vehicle

Alaska law (AS 28.05.095) requires everyone in a motor vehicle to use a safety belt. (Safety Belt Use is Required by Law, page 26)
