Answer key: Delaware practice test 3

From the Delaware Driver Manual. Free at permitpracticetestdmv.com/delaware/

1. C: A one-year suspension

Driving 50 mph or more over the limit or 100 mph on a highway brings a one-year suspension. (Serious Speeding Violations, page 48)

2. B: If it's the first violation in 3 years and paid as a guilty mail-in or online (Class D only)

Point credit applies for a first 1-14 mph violation in any 3-year period paid through the Voluntary Assessment Center or online; CDL holders still get points. (Point Credit, page 48)

3. D: Three points, valid for three years

Completing an approved defensive driving course gives a three-point credit for future administrative actions, valid for three years; it doesn't remove existing points. (Defensive Driving Courses, page 49)

4. A: Three or more

Individuals convicted of three or more listed offenses (e.g., following too closely, unsafe lane change, speeding) from continuous conduct are guilty of aggressive driving. (Aggressive Driving, page 49)

5. D: \$100 to \$300

Offenders are fined \$100 to \$300 for the first offense and must complete a behavioral modification course within 90 days. (Aggressive Driving, page 49)

6. A: It is extended for a like period, up to one year

A conviction for driving during suspension or revocation extends the period for a like period, up to one year. (Driving During Suspension Or Revocation, page 49)

7. C: \$1,500

The penalty is a fine of not less than \$1,500 nor more than \$2,000; subsequent offenses within three years are \$3,000-\$4,000. (Step 1 – Liability Insurance, Financial Responsibility And Penalty, page 63)

8. D: \$15,000

PIP minimum is \$15,000 for any one person and \$30,000 for all persons injured in one crash. (Step 1 – Liability Insurance, Financial Responsibility And Penalty, page 63)

9. B: \$25,000

Minimum coverage includes \$25,000 for bodily injury or death of one person and \$50,000 for two or more persons. (Step 1 – Liability Insurance, Financial Responsibility And Penalty, page 63)

10. D: \$10,000

Minimum coverage is \$10,000 for injury to or destruction of property of others in any one crash. (Step 1 – Liability Insurance, Financial Responsibility And Penalty, page 63)

11. C: Surrender the license plate to the DMV

Owners cancelling insurance must first surrender their valid license plate to the Division; failing to do so results in fines. (Step 1 – Liability Insurance, Financial Responsibility And Penalty, page 64)

12. C: 60 days

New residents must title/register their vehicles within 60 days after becoming a Delaware resident. (How To Title/Register Your Vehicle, page 63)

13. A: .08 or greater (or the presence of any illicit or recreational drug)

In Delaware a BAC of .08 or greater, or the presence of any illicit or recreational drug, is conclusive evidence of being under the influence. (Drinking And Blood Alcohol Concentration, page 50)

14. C: Yes

A driver can be charged with driving under the influence even if the BAC is under .08. (Drinking And Blood Alcohol Concentration, page 50)

15. C: .02

Delaware's zero tolerance statute mandates a license revocation for underage drivers with a .02 BAC. (Drinking And Blood Alcohol Concentration, page 50)

16. A: Two months

Under the Zero Tolerance Law, the license is revoked for two months for a first offense and 6 to 12 months for each subsequent offense. (Zero Tolerance Law, page 54)

17. D: \$100

Anyone under 21 who possesses or consumes alcohol is fined \$100 for the first offense and \$200-\$500 for subsequent offenses. (Underage Consumption Or Possession, page 54)

18. A: .04 or more

A CMV driver who refuses testing or has a BAC of .04 or more is disqualified from driving a commercial vehicle for one year. (Drinking And Blood Alcohol Concentration, page 50)

19. C: 20 to 40 minutes

Alcohol goes from your stomach into your blood and reaches your brain in 20 to 40 minutes. (If You Drink, When Can You Drive, page 51)

20. D: About half as much

It takes about half as much for a person weighing 100 pounds as for one weighing 200 pounds. (Drinking And Blood Alcohol Concentration, page 50)

21. C: Increase the time between drinks (and eat starchy food)

The best way is to increase time between drinks; eating (especially starchy foods) slows absorption but won't keep you from getting drunk. (If You Drink, When Can You Drive, page 52)

22. D: Two or more

Even one drink can affect your driving; with two or more drinks in your bloodstream you are impaired and could be arrested. (If You Drink, When Can You Drive, page 51)

23. B: No, consuming alcohol while driving is prohibited

It is unlawful to consume alcoholic beverages while driving a motor vehicle on Delaware highways. (Drinking While Driving Is Prohibited, page 54)

24. D: 15 days

The officer confiscates the license and issues a 15-day temporary license; the driver has 15 days to request an administrative hearing. (Delaware Specific Penalties And Procedures, page 55)

25. C: 12 months

Refused chemical test: 12 months for a 1st offense, 18 months for 2nd, 24 months for 3rd or more. (Delaware Specific Penalties And Procedures, page 55)
