Answer key: Kansas practice test 10

From the Kansas Driving Handbook (Non-Commercial Driver's Manual). Free at permitpracticetestdmv.com/kansas/

1. D: Toward the direction the train is coming from

Get everyone out and run in the direction from which the train is approaching, so you won't be hit by flying debris. (Railroad Crossing Warning Signs, page 37)

2. C: Look both ways and cross quickly without stopping, and don't shift gears

Look both ways and cross quickly without stopping; it's wise not to shift gears on the tracks. (Railroad Crossing Warning Signs, page 37)

3. D: Come to a complete stop

A complete stop is required when a school crossing guard is displaying an official flag in a STOP position. (Stopping, page 18)

4. B: Malfunctioning signals, vehicles blocking the tracks, trespassers or other unsafe conditions

The ENS sign gives a 24/7 number to report malfunctions, disabled vehicles on tracks, trespassers and other unsafe conditions. (Emergency Notification Systems (ENS), page 38)

5. D: .08 or higher

If you are found to have .08 BAC or higher, you are in violation of the law. (Alcohol and the Law, page 23)

6. A: .02

If you are under 21, you can be arrested for alcohol impairment at .02%. (Alcohol and the Law, page 23)

7. C: 30 days

If you have a BAC of .08 or more, your license and privileges may be suspended for 30 days and you may face criminal penalties. (Alcohol and the Law, page 23)

8. A: By getting a license you have agreed to a lawfully requested test of your blood, breath or urine if suspected of impaired driving

Under K.S.A. 8-1001, getting a Kansas license means you have implicitly agreed to a lawfully requested alcohol/drug test; refusing can cost you your license for a year. (Alcohol and the Law, page 24)

9. C: \$750-\$1,000 plus court costs

A first conviction may bring a fine of \$750-\$1,000 plus court costs, at least 48 hours in jail or 100 hours of community service, suspension, and an ignition interlock. (Alcohol and the Law, page 24)

10. B: 48 hours in jail or 100 hours of community service

You could be sentenced to a minimum of 48 hours in jail or 100 hours of community service. (Alcohol and the Law, page 24)

11. A: An ignition interlock device

You will be required to drive with an ignition interlock device. (Alcohol and the Law, page 24)

12. B: About 40%

Alcohol and other impairing drugs are involved in approximately 40% of all fatal crashes. (Alcohol, Other Drugs and Driving, page 22)

13. D: About one hour

It takes about an hour for the body to get rid of one normal drink; four drinks means waiting four hours or more. (Alcohol, page 23)

14. D: Time

Coffee, fresh air, cold showers or eating won't help; time is the only medically proven method. (Alcohol, page 23)

15. C: .02

Vision is impacted at .02 BAC for all drivers. (Effects of Alcohol and other Impairing Drugs, page 23)

16. B: Color distinction

Alcohol and other impairing drugs reduce your ability to distinguish colors, such as signs, signals and markings. (Effects of Alcohol and other Impairing Drugs, page 23)

17. C: No alcohol in the circulatory system

All states have Zero Tolerance (no alcohol in the circulatory system) or similar laws for drivers under 21. (If you are under 21, page 23)

18. C: Take their keys, arrange a sober driver or cab, or have them stay overnight

Take their keys, arrange a driver who hasn't been drinking, call a cab, or have them stay overnight. (Alcohol, page 23)

19. A: They can make you nervous, dizzy and unable to concentrate, and affect vision

Pep pills, uppers and diet pills can make you nervous, dizzy, unable to concentrate and can affect your vision. (Over-the-Counter Drugs, page 24)

20. D: They make more mistakes, have more trouble with glare and get more traffic violations

Studies show people who use marijuana make more mistakes, have more trouble adjusting to glare and are arrested for traffic violations more than other drivers. (Illegal Drugs, page 24)

21. A: \$750-\$1,000 plus court costs, with jail or community service and suspension

A first drug-related DUI conviction may bring a \$750-\$1,000 fine plus costs, at least 48 hours in jail or 100 hours of community service, and suspension. (Illegal Drugs, page 24)

22. A: The drugs could multiply alcohol's effects or add their own

Other drugs could multiply the effects of alcohol or have additional effects, possibly causing serious health problems or death. (Alcohol and Other Impairing Drugs, page 24)

23. A: No, it is illegal to purchase, possess or drink alcohol

If you are under 21, it is illegal to purchase, possess or drink alcoholic beverages. (If you are under 21, page 22)

24. D: Yes

Even under .08 you are still impaired, and under the law you can still be convicted of driving impaired. (Alcohol and the Law, page 23)

25. C: When it first starts, as water mixes with dirt and oil

Roadways are more slippery when it first starts to rain, snow or sleet, as water mixes with dirt, oil and other substances. (Slippery roads, page 59)
