Answer key: Kansas practice test 2

From the Kansas Driving Handbook (Non-Commercial Driver's Manual). Free at permitpracticetestdmv.com/kansas/

1. B: At least six months from the most recent failed exam

After the fourth failure of either test, you must wait a minimum of six months from the most recent failed exam. (Unsuccessful Examinations, page 14)

2. A: The next working day after paying a \$1.50 re-exam fee

You may retake the test the next working day after paying a \$1.50 re-exam fee. (Unsuccessful Examinations, page 14)

3. D: At least 20/40 in one eye

Vision must be at least 20/40 in one eye when screened at the driver license station, with or without correction. (Required Noncommercial License Tests: Vision, page 13)

4. C: Within the last 90 days

A Driver Licensing eye examination form completed by an ophthalmologist or optometrist in the last 90 days is accepted. (Required Noncommercial License Tests: Vision, page 13)

5. B: Full testing: vision, written and driving

If the license has been expired more than one year, full testing (vision, written and driving) is required. (Driver License Renewal, page 14)

6. B: An additional \$1.00

An additional \$1.00 is charged as a penalty to anyone whose license has expired. (Driver License Renewal, page 14)

7. C: Yes, if they suspect you can't exercise ordinary and reasonable control of a vehicle

A written exam isn't required for every renewal, but an examiner may require tests if they suspect you can't exercise ordinary and reasonable control. (Driver License Renewal, page 14)

8. C: Three

Conviction of three moving violations within a twelve-month period can lead to suspension (K.S.A. 8-255). (Loss of Driving Privileges, page 14)

9. A: 1 year

Refusing a chemical test is a mandatory 1-year suspension for the 1st refusal, 2 years for the 2nd, 3 years for the 3rd and 10 years for the 4th. (Loss of Driving Privileges, page 14)

10. B: 10 years

A fourth refusal brings a 10-year suspension. (Loss of Driving Privileges, page 14)

11. D: Permanent license revocation

A fifth test result of .08 or greater or refusal results in permanent license revocation. (Loss of Driving Privileges, page 15)

12. A: Mandatory indefinite suspension

Failing to maintain continuous liability insurance is a mandatory indefinite suspension. (Loss of Driving Privileges, page 14)

13. D: Transporting an open container of liquor or cereal malt beverage

Transporting an open container of liquor or cereal malt beverage (3.2 beer) is one listed cause of suspension. (Loss of Driving Privileges, page 14)

14. C: Attempting to elude a police officer

Revocation offenses include vehicular homicide, failing to stop and render aid, reckless driving, eluding police, and vehicular battery, among others. (Loss of Driving Privileges, page 15)

15. C: 18

Non-commercial Class A or B licenses require age 18 or older. (Age Requirements: Driver Licenses, page 9)

16. B: 21

Commercial Class A, B or C (interstate) requires age 21; intrastate requires 18. (Age Requirements: Driver Licenses, page 9)

17. A: After holding the instruction permit one full year or reaching 17, whichever comes first

If under 17, you must hold your instruction permit for one full year or until age 17, whichever comes first. (Passing the Knowledge Test, page 94)

18. C: Pre-Trip Vehicle Safety Inspection, Basic Vehicle Control Skills, and Road Test

You must pass the Pre-Trip Vehicle Safety Inspection Test, the Basic Vehicle Control Skills Test and the Road Test. (Passing the Knowledge Test, page 94)

19. C: No, you won't have to open the hood or crawl under the vehicle

You will NOT have to open the hood or crawl under the vehicle during the pre-trip inspection. (Pre-Trip Vehicle Safety Inspection Test, page 96)

20. C: The air conditioner

If over 85°F, the air conditioner must work; between 75-85°F, the A/C must work or the passenger window must roll down; under 45°F, the heater must work. (Internal Inspection: Vehicle Used for Driving Exam, page 97)

21. A: Not checking your blind spots

Automatic failures include not using a safety belt, not checking blind spots, any moving violation, not yielding, avoidable contact, unsafe acts, curb strikes and examiner intervention. (Automatic Failures, page 107)

22. A: Touching or crossing a boundary line or cone with any part of the vehicle except mirrors

Touching or crossing over an exercise boundary line or cone with any part of your vehicle, other than mirrors, is an encroachment and counts as an error. (Basic Vehicle Control Skills Test: Scoring, page 100)

23. D: Within 12 inches

Bring the vehicle within 12 inches of the curb side of the space without crossing side or rear boundaries. (Exercises: Right-side Parallel Park, page 102)

24. A: Where you can see the rear tires of the vehicle ahead

A safe gap when stopping behind another vehicle is where you can see the rear tires of the vehicle ahead. (Road Test: Turns, page 104)

25. A: 30 mph

Unless otherwise posted, the maximum is 30 mph in any urban district. (Speed Limits (K.S.A. 8-1558), page 16)
