- A. Services
- B. Recreation
- C. Construction only
- D. Caution or general warning

Answer key: Michigan practice test 10

From the What Every Driver Must Know (SOS-133). Free at permitpracticetestdmv.com/michigan/

1. A: It is free

The written knowledge test is provided at all SOS offices at no charge. An online version at home costs a \$6.50 convenience fee. (18 and older – never been licensed, page 6)

2. A: At least one hour

Arrive at least one hour before closing to allow enough time to complete the knowledge test. (Vision and knowledge tests, page 7)

3. B: Yes, on all written tests except CDL knowledge tests

Foreign-language interpreters may be used on all written tests except CDL knowledge tests. (Vision and knowledge tests, page 7)

4. D: Constant visual supervision by a licensed motorcyclist 18+, no night riding and no passengers

Motorcycle TIP holders must ride under the constant visual supervision of a licensed motorcycle operator at least 18, and may not ride at night or carry passengers. (The motorcycle TIP, page 8)

5. D: Two

A motorcycle TIP is good for 180 days, and only two will be issued to a rider in a 10-year period. (The motorcycle TIP, page 8)

6. A: Drive no faster than the normal limit and conditions allow, look out for workers, and keep to 45 mph or less where workers are present

Some work zones cap speed at 45 mph only while workers are present; the normal limit applies when they are absent, but you still drive at a safe speed and watch for workers. (Construction zones, page 27)

7. D: Proceed with caution and be ready to yield

Proceed with caution and be ready to yield when approaching or passing a stopped waste collection, utility or road maintenance vehicle with flashing lights. (Be prepared to yield, page 30)

8. A: Pull parallel and close to the right edge, clear of intersections, and stop until it passes

Pull as close as possible to the right edge or curb, clear of intersections, and stop until the emergency vehicle passes or an officer signals you on. (Be prepared to yield, page 31)

9. B: Whenever a pedestrian is crossing

You must yield to pedestrians at an intersection with a flashing yellow light, as at stop signs and flashing red lights. (Right of way and pedestrians, page 31)

10. C: You, the driver

Drivers must yield to pedestrians when turning at any intersection, with or without signals. (Right of way and pedestrians, page 31)

11. B: When you can see the entire vehicle you passed in your rearview mirror

Don't cut back into the right lane until you can see the entire vehicle you passed in your rearview mirror. (Passing on the left, page 32)

12. B: No, don't pass more than one vehicle at a time

Don't pass more than one vehicle at a time, and don't follow too closely when another vehicle is passing slower traffic. (Passing on the left, page 32)

13. D: No

Don't pass when a solid yellow line is on your side of the center line. Passing a bicyclist in a no-passing zone is a separate exception when safe. (When passing is prohibited, page 32)

14. C: When passing a vehicle in front of you

Drive in the right lane except when passing, avoiding obstacles, on roads with three or more lanes or one-way roads, when directed, turning left, approaching a stopped emergency vehicle, or for construction. (Lane usage, page 33)

15. D: No, it is illegal

Weaving from lane to lane to speed through traffic is illegal. (Lane usage, page 33)

16. D: Straight ahead until you start the turn

Keep your front wheels pointed straight ahead until you start your turn. (Left turns, page 34)

17. A: Keep to the right of the center island and merge into the circle when there is a safe gap

Never turn left to enter a roundabout. Stay right of the center island and merge when there is an appropriate gap. (Roundabouts, page 35)

18. D: Stop, prohibited or forbidden

Red means stop, prohibited or forbidden. (Traffic sign colors, page 42)

19. D: Caution or general warning

Yellow means caution or a general warning. (Traffic sign colors, page 42)
