Answer key: Mississippi practice test 10

From the Mississippi Driver's License Manual. Free at permitpracticetestdmv.com/mississippi/

1. C: No closer than 300 feet

Trucks outside business or residential districts must not follow within three hundred feet of other trucks except when passing. (Class D: Safe Driving, page 87)

2. C: A non-resident over 16 with a valid license from their home state or country

Non-residents over sixteen with a valid home-state or home-country license are exempt. (License Exemptions, page 10)

3. D: An applicant under 18 without proof of school enrollment

The law prevents a license for anyone under 18 who doesn't provide proper documentation of school enrollment. (Ineligible Persons, page 10)

4. B: Surrender it

When you apply you must surrender all out-of-state licenses, or file a notarized Affidavit of Inability to Surrender. (Out-of-State Drivers: Moving to Mississippi, page 11)

5. D: 90 days

You may renew within ninety days of discharge or returning to the state, with no delinquent fee. (Military Personnel and College Students, page 12)

6. A: Not accepted; a physical address is required

Each proof of residency must contain a physical address; P.O. box numbers will not be accepted. (Application Requirements: Proof of Residency, page 16)

7. A: Both parents

If under seventeen, the application must include both parents' signatures if both are living and have legal custody. (Application Requirements: Signatures, page 16)

8. A: It is recommended to see a person 500 feet ahead in good weather

It is recommended that your headlights let you see a person 500 feet ahead in good weather at night. (Vehicle Equipment: Lights, page 19)

9. B: Four

At no time should you have more than four lights, not including headlights, burning at once. (Vehicle Equipment: Lights, page 19)

10. A: Properly inflated, good tread, and free of breaks, cuts and decay

Tires must be properly inflated, have good tread and be free of breaks, cuts and decay. (Vehicle Equipment: Tires, page 19)

11. C: No; find another route

Do not drive through large bodies of standing water; find another route. (Hazardous Conditions & Emergencies, page 65)

12. A: Use the brakes lightly

If you run off the pavement, use the brakes lightly before returning to the roadway. (Hazardous Conditions & Emergencies, page 65)

13. A: Yield to bicycles exactly as you would to any other vehicle

You must yield to bicycles exactly as you would to any other vehicle. (Intersections and Right-of-Way, page 55)

14. A: No; don't slam your brakes to stop first, and yield to the driver on your right

Do not slam on your brakes to stop first; yield to the driver on the right. (Four-Way Stop, page 56)

15. C: The nearest National Park Ranger

The Parkway is patrolled by National Park Rangers; report accidents, fires and emergencies to the nearest Ranger or call 1-800-300-PARK (7275). (Appendix B: The Natchez Trace, page 90)

16. D: Federal court

Violations on the Parkway or its facilities are tried in a federal court. (Appendix B: The Natchez Trace, page 90)

17. B: No, commercial vehicles are excluded

Commercial vehicles are excluded from the Parkway, and access is limited. (Appendix B: The Natchez Trace, page 90)

18. A: Keep to the far side of your lane and never speed up

Keep to the far side of your lane and never speed up when a large vehicle is passing. (Road Safety with Large Vehicles, page 72)

19. A: Always dim them

Always dim your headlights; bright lights reflect off the truck's mirrors and blind the driver. (Road Safety with Large Vehicles, page 72)
