Answer key: Missouri practice test 2

From the Missouri Driver Guide. Free at permitpracticetestdmv.com/missouri/

1. A: 20/40 with either or both eyes

The standard minimum acuity is at least 20/40 with either or both eyes. (Vision Test, page 20)

2. A: At least 55 degrees in each eye or 85 degrees in one eye

The standard minimum peripheral reading is at least 55 degrees in each eye or 85 degrees in one eye. (Vision Test, page 21)

3. A: 20/160

If both natural and corrected acuity are worse than 20/160, or combined peripheral is worse than 70 degrees, you cannot take the driving test or have a license. (Vision Test, page 21)

4. A: 30

The examiner subtracts points for driving errors; if you lose more than 30 points, you fail. (Your Grade, page 23)

5. D: One

You may take only one driving test per day. (Failing the Driving Test, page 23)

6. B: No further tests without written authorization from the Department, after additional behind-the-wheel training

After three failures, the Department requires additional behind-the-wheel training and written approval before another driving test. (Failing the Driving Test, page 23)

7. B: 25 feet long and 7 feet wide

You must park parallel to the curb in a space 25 feet long and seven feet wide. (Driving Test, page 22)

8. D: Two minutes

You are tested on your ability to park the vehicle within two minutes. (Driving Test, page 22)

9. C: Over your right shoulder through the rear glass

You are tested on looking over your right shoulder to see through the rear glass while backing. (Driving Test, page 22)

10. A: Only the examiner

The examiner sits beside you, and no one else may ride in the vehicle during the test. (Driving Test, page 21)

11. A: Class A misdemeanor and loss of driving privilege for up to one year

Fraud during the examination is a Class A misdemeanor that may result in loss of your driving privilege for up to one year. (Fraud, page 23)

12. C: Vision and road sign tests

Each time you renew, you will be required to take the vision and road sign test. (Renewing a License or Permit - Renewal Reminders, page 12)

13. A: Up to six months

You can renew your license up to six months (184 days) before it expires. (Renewing a License or Permit - Renewal Reminders, page 12)

14. C: Six months (184 days)

If you don't renew within six months (184 days) after expiration, you must take the written and driving tests in addition to vision and road sign tests. (Renewing a License or Permit, page 13)

15. B: No; if you let it expire, you must not drive

If you allow your license to expire, you must not drive until you renew it. (Renewing a License or Permit, page 13)

16. A: Vision and road sign tests

When transferring a valid out-of-state license (or one expired 184 days or less), you surrender it and take the vision and road sign tests. (Requirements to Obtain a License or Permit, page 8)

17. B: Up to 6 years

A driver license may be valid for up to six years. (Renewing a License or Permit, page 13)

18. D: Corrective lenses

Restriction code A means corrective lenses. (Restriction Codes, page 11)

19. C: Driving without a license

Disobeying a restriction can lead to a charge of driving without a license and points if convicted. (Restrictions, page 11)

20. D: Six months

You may need a physician's statement if you have had epileptic seizures, convulsions, or blackouts within the six months before applying. (Medical Referral, page 11)

21. D: A Driver Condition Report (Form 4319)

A person who believes you have a medical condition that makes you unsafe completes a Driver Condition Report (Form 4319). (Medical Referral, page 11)

22. C: Present it

You must carry your license or permit when you drive and present it if any law enforcement officer asks to see it. (Chapter 1 - The Missouri Driver License, page 5)

23. A: Failing to keep insurance

Failing to keep insurance (financial responsibility) is one of the listed reasons you can lose your license. (Suspension or Revocation of Your License, page 17)

24. D: No license is required

Operation of an electric bicycle as defined in 301.010 RSMo does not require an operator or motorcycle license. (Sharing the Road with Electric Bicycles, page 35)

25. D: A valid driver license

To drive any motorized bicycle such as a moped on public streets, you must have a valid driver license (no motorcycle endorsement is required). (Moped Drivers Need a Driver License, page 34)
