Answer key: New Jersey practice test 13

From the New Jersey Driver Manual. Free at permitpracticetestdmv.com/new-jersey/

1. B: Be alert, be prepared, act in time

The formula is be alert, be prepared and act in time. (Prevent a Crash, page 90)

2. B: Dial #77

Report aggressive drivers at (888) SAF-ROAD or #77 from a cell phone; pulling over first is safest. (Aggressive Driving/Road Rage, page 91)

3. B: It is against New Jersey law to have backup lights on while moving forward

New Jersey law prohibits having backup lights on while the vehicle is moving forward. (Backup Lights, page 45)

4. B: No, it is prohibited

New Jersey law prohibits add-on tinting on windshields and front side windows. (Windshield, page 47)

5. B: Every year

Drivers should have their eyes tested every year or two; over age 40, every year. (Vision, page 118)

6. B: 14 days

A new resident must have a passenger vehicle five model years or older inspected within 14 days after registering it. (Vehicle Inspection, page 160)

7. B: Every two years

Gasoline passenger vehicles (1996 and newer) more than five model years old must pass inspection every two years. (Vehicle Inspection, page 160)

8. B: Return them to the MVC

If a motorist terminates vehicle insurance, the plates must be returned to the MVC. (License Plates, page 159)

9. A: 24 hours

Replace lost or damaged plates within 24 hours at any MVC Vehicle Center. (License Plates, page 159)

10. B: Loss of license for one year

A first offense brings a one-year license loss (permanent for a subsequent offense) plus fines of \$2,500-\$5,000 and/or 180 days in jail. (Motor Vehicle Violations, page 130)

11. B: \$500 fine and up to six months additional suspension

First offense: \$500 fine and up to six months of additional license and/or registration suspension. (Motor Vehicle Violations, page 130)

12. B: One-year license loss, \$300-\$1,000 fine and community service

A first no-insurance offense can bring a 1-year license loss, \$300-\$1,000 fine, surcharges and court-determined community service. (Driving Under the Influence (DUI) (penalty chart), page 126)

13. B: The curbside

It is safer for passengers to exit a parked vehicle from the curbside. (Parking Regulations, page 84)

14. B: On the right shoulder with emergency flashers on

In case of mechanical trouble or other emergency, stop on the right shoulder and turn on emergency flashers. (Do Not Park, page 85)

15. A: In front of a public or private driveway

Never park in front of a public or private driveway. (Do Not Park, page 85)

16. B: When you can see past the tops of the vehicles parked next to you

Back slowly, and when you can see past the tops of the neighboring parked vehicles, stop and look again. (Angle Parking, page 57)

17. B: Reduce speed, glance left and then right, and keep your foot on the brake

When nearing an intersection reduce speed, glance left then right and keep your foot on the brake. (City Driving, page 101)

18. B: Scan left, right and behind, check mirrors and blind spots, and look for bicyclists and pedestrians

Many crashes happen when drivers focus only on oncoming traffic; scan all directions and check for pedestrians and cyclists. (Intersections, page 67)
