- A. Yes, from 5 AM to 9 PM
- B. No, junior license holders must not drive in NYC
- C. Only with a parent
- D. Only to school

Answer key: New York practice test 14

From the New York State Driver's Manual (MV-21). Free at permitpracticetestdmv.com/new-york/

1. B: Trucks make wide right turns and often move left before turning right

Because trucks make wide right turns, they move to the left before turning right. Watch the turn signals. (Large Vehicles: Ability to Maneuver, page 74)

2. B: When you can see the whole front of the truck in your mirror

Do not pull in front of a large vehicle unless you can see its whole front in your mirror. (Large Vehicles, page 74)

3. B: Wait until it has completed its backing maneuver

Never pass close behind a backing truck; wait until it finishes. Trying to pass puts you in a blind spot. (Large Vehicles: When a truck is backing up, page 75)

4. B: Moving slower and smaller than it really is

A large vehicle's size often makes it appear slower than it is, and from a distance it may not look as large as it really is. (Large Vehicles: When you approach a truck, page 75)

5. B: It could roll back slightly when it starts

A truck or bus may move backward slightly when it starts, especially facing up a hill; extra room also lets you pull around it. (Large Vehicles: When you stop behind a truck, page 75)

6. B: A reflective orange triangle

The slow-moving vehicle symbol is a reflective orange triangle shown on the back of animal-drawn vehicles, most farm vehicles, construction equipment and rural mail vehicles. (Slow-Moving Vehicles, page 76)

7. B: Stop, yield to traffic, and cross at a 90-degree angle

Before crossing, ATVs and snowmobiles must stop and yield to traffic, and cross at a 90-degree angle to the road. (All-Terrain Vehicles and Snowmobiles, page 76)

8. B: Sound your horn

You must drive at an acceptable speed and distance from the horse, and it is illegal to sound your horn when approaching or passing it. (Horse Riders, page 76)

9. B: Single file near the right curb or road edge, or on a usable right shoulder, lane or path

Horse riders must ride single file near the right curb or road edge or on a right shoulder, lane or path. (Horse Riders, page 76)

10. B: Drivers, who must exercise due care and yield as to pedestrians

Drivers must stop and yield to an in-line skater or scooter rider at a marked or unmarked crosswalk, the same as for a pedestrian. (Pavement Markings: Stop and Crosswalk Lines, page 32)

11. A: 20 questions, 14 correct

You must correctly answer at least 14 of the 20 questions, including at least two of the four road sign questions. (Vision and Knowledge Tests, page 10)

12. C: At least two

Besides 14 of 20 overall, you must correctly answer two of the four questions about road signs. (Vision and Knowledge Tests, page 10)

13. B: 20/40 in at least one eye, with or without corrective lenses

To pass the vision test, you need 20/40 vision in at least one eye with or without corrective lenses. (Vision and Knowledge Tests, page 10)

14. C: 21 years old

The supervising driver must be at least 21, hold a license valid for the vehicle, and sit in the front seat. (The Learner Permit, page 11)

15. B: Any street within a park in New York City

Permit holders may not drive in DMV road test areas, on streets within NYC parks, on Triborough Bridge and Tunnel Authority bridges and tunnels, or on certain Westchester parkways. (General Rules for All Drivers with Learner Permits, page 13)

16. B: Cross County, Hutchinson River, Saw Mill River and Taconic State

Permit holders may not drive on the Cross County, Hutchinson River, Saw Mill River or Taconic State parkways in Westchester County. (General Rules for All Drivers with Learner Permits, page 13)

17. B: Your supervising driver

If you hold a junior permit, the only passenger allowed in the front seat is your supervising driver. (Driving with a Junior Learner Permit, page 13)

18. B: No

Junior permit holders must not drive between 9 PM and 5 AM in New York City or Long Island. (Regional Restrictions for a Junior Permit, page 12)

19. B: Dual controls (dual brakes)

In NYC, junior permit holders may drive 5 AM to 9 PM only with a parent, guardian, person in loco parentis, driver ed teacher or driving instructor, in a vehicle with dual controls. (Regional Restrictions for a Junior Permit, page 12)

20. B: A parent, guardian, person in loco parentis, driver education teacher or driving school instructor

Upstate, from 9 PM to 5 AM, a junior permit holder must be supervised by a parent, guardian, person in loco parentis, driver ed teacher or driving school instructor, age 21 or older. (Regional Restrictions for a Junior Permit, page 12)

21. C: 50 hours, 15 after sunset

You must have at least 50 hours of practice, with at least 15 hours after sunset, certified on form MV-262. (Preparing for the Road Test, page 13)

22. B: 6 months, not counting any time it was suspended or revoked

A junior permit must be held for at least six months, excluding any time suspended or revoked, before a road test can be scheduled. (Special Rules for Drivers with Junior Permits and Licenses, page 19)

23. B: An approved safe driver course such as the 5-hour Pre-Licensing Course or driver education

You must complete an approved safe driver course (5-hour Pre-Licensing Course or high school/college driver education). The PIRP course does NOT meet this requirement. (Safe Driving Course Requirement, page 13)

24. B: No more than one, unless they are immediate family

With a junior license you cannot drive with more than one passenger under 21 unless they are members of your immediate family. (Junior Operator Restrictions, page 15)

25. B: No, junior license holders must not drive in NYC

The regional chart shows junior license holders must not drive in New York City. (Regional Restrictions for a Junior License, page 16)
