- C. A passport
- D. An international permit

Answer key: Oklahoma practice test 10

From the Oklahoma Driver Manual. Free at permitpracticetestdmv.com/oklahoma/

1. D: 2 points, once every 24 months

Two points are deducted for an approved course; credit can be given once every 24 months, and points can't go below zero. (Point Reduction, page 72)

2. B: 6 months to 3 years

State law requires revocation for 6 months to 3 years for those convictions. (Mandatory Revocation of Your License, page 71)

3. A: \$25

There is a \$25 fee for a copy of your driving record; it is free for people over 65. (Driver's Record, page 70)

4. D: Your license or ID may be canceled

Your license or ID may be canceled for loaning it or knowingly permitting another person to use it. (Unlawful Use of License and/or Identification Card, page 69)

5. D: A felony with up to 7 years in prison and a \$10,000 fine

It's a felony; you could spend 7 years in prison and face a \$10,000 fine. (Unlawful Use of License and/or Identification Card, page 69)

6. B: A trooper, police officer, sheriff or judge, and anyone you collide with

You must show it to a trooper, police officer, sheriff or judge when asked, and to anyone involved in a collision with you. (License Responsibilities, page 11)

7. D: 14

A motorcycle-only license is available at 14, restricted to 300cc or less, 4:30 a.m. to 9:00 p.m., and no passengers. (Table 1—Types of Licenses: Motorcycle License Only, page 7)

8. A: Anyone under 18

A helmet is required for anyone under 18 years of age. (Table 1—Types of Licenses: Motorcycle License Permit, page 7)

9. C: Two solid yellow lines

A four-lane highway is divided in half by two solid yellow lines, and the lanes on each side are divided by a dashed white line. (Lane Usage and Maneuvers: 4 Lanes, page 32)

10. D: Slow down and leave space for the change

When a driver ahead signals a lane change, slow down and leave space. (Changing Lanes, page 33)

11. C: Change speed and/or lanes so you aren't alongside others or in their blind spots

Don't travel alongside other vehicles at the same speed; avoid packs and stay out of blind spots. (Expressway Driving: Use the Proper Lane, page 33)

12. C: Signal, pull to the extreme right shoulder away from traffic and turn on emergency flashers

Signal, pull off to the extreme right shoulder and turn on flashers; never walk near the roadway. (Avoid Collisions—Drive with Caution: Stopping, page 34)

13. C: Stop and yield to approaching traffic, then go when safe

When entering or crossing highways without signs or signals, stop and yield to approaching traffic. (You Must Always Yield, page 29)

14. C: Yield and drive with extreme caution

You must yield to children playing in the streets and drive with extreme caution near schools, playgrounds and residential areas. (You Must Yield to Children Playing in the Streets, page 28)

15. C: Stop before the crosswalk and wait for traffic to move

If traffic is stopped and blocking the intersection, stop before the crosswalk and wait. (Crossing an Intersection, page 30)

16. C: Before entering, then increase speed until you've cleared it

Slow down before you enter, then increase your speed until you've cleared the intersection; don't slow while turning or crossing. (Crossing an Intersection, page 30)

17. B: Bikes, tricycles and small children behind the car

Always check behind your car for bikes, tricycles and small children before you get in. (Backing: Safety Tip, page 39)

18. D: Turn left

Lane-use signs tell you which movements are required or optional from each lane; from Lane 1 you must turn left. (Regulatory Signs—Black and White Rectangles, page 20)

19. A: The lane or lanes to use to follow a certain highway

Green interstate guide signs, usually overhead, have arrows showing the lane or lanes to follow a certain highway. (Guide Signs—Green, White or Brown, page 25)

20. C: A designated highway that branches off and goes through the business portion of a city

A business route is an officially designated highway branching off the numbered highway through the city's business area. (Guide Signs—Green, White or Brown, page 25)

21. D: By position: red on top, yellow in the middle, green on the bottom

Red is on top, yellow in the middle and green on the bottom. (Traffic Signals: Did You Know?, page 26)

22. C: Yield the right-of-way if it will prevent a collision

Even with a green light, put safety first and yield if yielding will prevent a collision, even if the other person is wrong. (Traffic Signals, page 26)

23. D: Wait for the arrow

If you are in a turning-only lane, you must wait for the arrow. (Traffic Signals: Green Arrows, page 26)

24. C: Caution: slow down, look both ways, drive carefully through and be prepared to stop

Flashing yellow: caution. Slow down, look both ways and drive slowly and carefully through the intersection. (Traffic Signals: Flashing Yellow Light, page 26)

25. B: Close to the centerline without crossing it

Keep close to the centerline but don't cross it; enter the new street just right of center. (How to Make a Left Turn, page 37)

26. B: Swinging to the left before or during the turn

Be careful not to swing to the left before or during a right turn; keep as close as possible to the right. (How to Make a Right Turn, page 37)

27. A: Select the proper gear before entering the intersection; don't shift in it

Select the proper gear before entering the intersection and accelerate slightly through the turn; don't shift gears in the intersection. (Turning: Do, page 36)

28. A: On bridges and in shady areas

Always be alert for black ice and danger spots such as bridges or shady areas. (Stopping in Icy and Rainy Conditions, page 43)

29. A: Don't; ask whether the trip is worth the risk

The best advice for driving on icy roads is DON'T. Ask yourself if the trip is worth the risk. (Stopping in Icy and Rainy Conditions, page 43)

30. D: Yes, wide tires can hydroplane even at reduced speeds

Wide tires can hydroplane even at reduced speeds. (Hydroplaning, page 44)

31. A: A physical copy of your vehicle insurance and registration

Be sure you have a physical copy of your vehicle insurance and registration in your vehicle. (Driving Out-of-State, page 60)
