Answer key: Rhode Island practice test 9

From the Rhode Island Driver's Manual. Free at permitpracticetestdmv.com/rhode-island/

1. C: \$95

The fine schedule lists \$95 for 1-10 mph over the posted limit. (Common Motor Vehicle Violations - Fine Schedule, page 59)

2. D: \$10 per mph over the limit, with a \$200 minimum

For 11 mph or more over, the fine is \$10 per mile over the limit, with a \$200 minimum. (Common Motor Vehicle Violations - Fine Schedule, page 59)

3. B: \$85

Following too closely (31-15-12) carries an \$85 fine. (Common Motor Vehicle Violations - Fine Schedule, page 59)

4. D: 21

In Rhode Island, the legal drinking age is twenty-one. (X. Drinking / Drugs and Driving, page 60)

5. A: Seven times

Even small amounts of alcohol make a crash seven times more likely. (X. Drinking / Drugs and Driving, page 60)

6. C: The brain, starting with judgment and skill

Alcohol reaches the brain in seconds, first affecting judgment and skill. (X. Drinking / Drugs and Driving, page 60)

7. A: A 4-5 ounce glass of wine or a 1-1½ ounce shot of liquor

12 oz of beer, 4-5 oz of wine and 1-1½ oz of hard liquor have about the same alcohol. (X. Drinking / Drugs and Driving, page 60)

8. B: Breathing, perspiring and oxidation by the liver

The body eliminates alcohol by breathing, perspiring and oxidation (the liver). (X. Drinking / Drugs and Driving, page 60)

9. A: The effects are multiplied

Mixing alcohol with other drugs multiplies their effects (a synergistic effect), which can be deadly. (X. Drinking / Drugs and Driving, page 60)

10. D: Reduced reaction time, altered attention and increased lane weaving

Marijuana reduces reaction time, alters attention to the road, increases lane weaving and slows glare adjustment. (X. Drinking / Drugs and Driving, page 60)

11. B: .08% or more

At .08% BAC or higher, a driver of any age is legally intoxicated and charged with DUI. (B. Blood Alcohol Concentration, page 61)

12. A: Driving While Impaired (DWI)

A driver under 21 with a BAC from .02% up to .08% is charged with DWI (driving while impaired). (B. Blood Alcohol Concentration, page 61)

13. D: Breath, blood, saliva and/or urine

Drivers are deemed to consent to chemical tests of breath, blood, saliva and/or urine. (C. Implied Consent, page 61)

14. C: 6 months

Refusing a chemical test results in a license suspension of a minimum of six months. (D. Refusal to Take the Breathalyzer Test, page 61)

15. C: \$500

A first refusal includes a \$500 highway safety assessment along with fines and community service. (E. Penalties, page 61)

16. D: Until age 21

A second under-18 refusal within five years brings license suspension until age 21. (E. Penalties, page 61)

17. B: 6-12 months

A first under-18 DWI carries a 6-12 month license suspension. (Driving While Impaired (DWI) Under 18, page 62)

18. A: 1-3 months

For ages 18-21, a first DWI brings a 1-3 month suspension, a \$250 fine and 30 hours community service. (Driving While Impaired (DWI) 18-21, page 62)

19. D: 30-180 days

First DUI at .08-.1%: up to 1 year prison, \$100-\$300 fine and a 30-180 day suspension. (Driving Under the Influence (DUI) 21 and Older, page 63)

20. D: A felony, with possible seizure of the vehicle

A third or subsequent DUI within 5 years is a felony, and the state may seize the vehicle. (Driving Under the Influence (DUI) 21 and Older, page 63)

21. B: License suspended up to 30 days

Underage drivers with alcohol in the vehicle (unless with a parent or for work) can have the license suspended up to 30 days. (R.I.G.L. 3-8-9 Transportation of alcoholic beverages by underage persons, page 64)

22. D: 60 days

Underage possession brings a \$150-\$750 fine (first offense) and a minimum 60-day license suspension. (R.I.G.L. 3-8-10 Possession of beverage by underage persons, page 64)

23. D: Drive it to the side of the road and notify police

In a minor collision, drive the vehicle to the side of the road if possible and notify police. (XI. In Case of a Collision, page 65)

24. C: When someone is injured, damage exceeds \$1,000, or you hit an unattended vehicle or a domestic animal

A police report is required for injuries, property damage over \$1,000, hitting an unattended vehicle, or hitting a domesticated animal. (XI. In Case of a Collision, page 65)

25. B: Attach your name and address in writing securely to the vehicle and report to police immediately

Leave your name and address attached securely to the vehicle and report the collision to police immediately. (XI. In Case of a Collision, page 65)
