- A. The car is broken down
- B. The vehicle may pull into your path
- C. The driver is parking for a long time
- D. Nothing important

Answer key: Virginia practice test 13

From the Virginia Driver's Manual (DMV 39). Free at permitpracticetestdmv.com/virginia/

1. D: 60 days

New residents must obtain a Virginia driver's license within 60 days of moving here. (New to Virginia, page 35)

2. C: Within 30 days

Title and register your vehicle and get Virginia plates within 30 days of moving to Virginia. (Titles, Registrations, License Plates, Decals, page 35)

3. C: Every year

Your vehicle must pass an annual safety inspection and display a valid inspection sticker. (Safety Inspections, page 35)

4. C: Front and rear

License plates must be displayed on the front and rear of the vehicle. (Titles, Registrations, License Plates, Decals, page 35)

5. D: Once every month or before a long trip

Check your tires once a month or before a long road trip using the penny test. (Tire Safety Inspection, page 35)

6. D: Part of Lincoln's head is covered by the tread

If any part of Lincoln's head is covered by the tread, you have a safe amount of tread. (Tire Safety Inspection, page 36)

7. B: In the owner's manual or on the driver's side door jamb

The recommended PSI is in the owner's manual or on the driver's side door jamb. (Tire Safety Inspection, page 36)

8. C: 90 days or \$5,000

DMV will suspend if child support payments are late by 90 days or \$5,000, or for failing to appear in related court proceedings. (Suspensions for Failing to Satisfy Child Support-Related Requirements, page 32)

9. A: Conduct a medical review, which may require medical reports or testing

DMV may conduct a medical review and require medical or vision reports and/or testing, then decide to suspend, restrict, require periodic reports or end the review. (Medical Review Program, page 31)

10. B: Failing to stop and identify yourself at a crash where someone was injured or killed

Failing to stop and identify yourself at a crash in which someone is injured or killed is among the offenses requiring suspension or revocation. (Conviction-Related Suspensions and Revocations, page 30)

11. C: Court suspension or revocation of your driving privilege

The court may suspend or revoke your driving privilege for refusing to take a blood or breath test when charged with DUI. (Conviction-Related Suspensions and Revocations, page 31)

12. B: Using a cell phone

When testing, you cannot get or give help, try to obtain questions or answers, or use a cell phone. (Section 1: Testing, page 5)

13. B: Canada, Germany, France and the Republic of Korea

You need the knowledge exam unless you hold a valid license from another U.S. state, Canada, Germany, France or the Republic of Korea. (Two-Part Knowledge Exam, page 5)

14. D: The in-vehicle part of driver education at an approved school

After three road test failures at DMV, you must complete and pass the in-vehicle part of driver education. (Road Skills Test, page 6)

15. A: The ball mount pin, hitch coupler, safety chains, electrical plug and trailer lights

Inspect before each trip: the pin securing the ball mount, the hitch coupler, safety chains, electrical plug and brake, turn signal and plate lights. (Light to Medium Trailers, page 23)

16. B: The vehicle may pull into your path

Clues like exhaust smoke, brake or back-up lights and turned wheels warn that a vehicle may pull into your path. (Searching, page 21)
